

CITIZENS' BUDGET ADVISORY COMMITTEE

It is the desire of the Tazewell County School Board to ensure community input in the 2012-2013 School Budget. The focus of this committee will be to make budgetary recommendations to improve the educational services provided to children. Specifically, the committee will have the following charge from the Board.

- Be familiar with the current year budget, and where appropriate, make recommendations to the Board.
- Review the school division's revenue resources.
- Work in an advisory capacity and report directly to the School Board.
- Adhere to guidelines established by the Board for budget preparation.
- Adhere to Tazewell County School Board policies. Committee members may suggest changes to the Board's policy by following established procedure for policy proposal and adoption.
- Receive and integrate input from the community concerning school facilities and capital improvements.

Membership

The Citizens' Budget Advisory Committee shall consist of the following members:

1. One individual selected by each Board member
2. One individual selected to represent Special Education
3. One individual selected to represent Career and Technical Education
4. One individual selected to represent Gifted Education
