**ANNUAL MEETING:** The Annual Meeting is the most important SEAC meeting of the school year as we elect officers (bi-annually), review & approve the SEAC Annual Calendar of meeting dates & programs and discuss the SEAC Annual Report to the school board which lists SEAC Concerns & Recommendations as well as proposed SEAC membership for the next school year. We also review & approve the Annual Plan for next school year's special education services, the TCPS Child Count, and the proposed TCPS Special Education Budget.

## **NOTE:**

**If school is cancelled or dismissed early the same day a SEAC meeting is scheduled, the SEAC meeting will automatically be cancelled that day.**
